

PETITION

The undersigned citizens of Chatham, Virginia, desiring to enjoy and retain the value of our property, and considering the status and reputation of the town in the present and in the future, are increasingly concerned about the problem of noise and smoke from the Chatham plant of Columbia Forest Products .

Therefore:

1. We urge the Chatham Town Council to obtain from Columbia Forest Products an agenda setting forth:

- a. the sources of the problems;
- b. proposed remedies; and
- c. the timetable for effecting those remedies;

such agenda to be submitted to the Council within 30 days.

2. That the Chatham Town Council direct the Town Attorney to prepare an ordinance:

- a. setting forth reasonable limits on industrial smoke and noise that can affect residential areas in the town, applicable to both existing and future conditions; and
- b. establishing appropriate enforcement mechanisms.
