Re: Your letter of June 14, 2006 regarding Columbia Forest Products, Chatham, VA  
DHR File No. 2006-0144

Dear Ms. Kilpatrick:

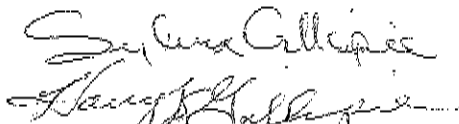

We are dismayed to receive your finding of "No Adverse Effect" to historic properties. We are especially troubled that the information provided to you on the topic by DEQ is factually erroneous and misleading to an extreme degree.

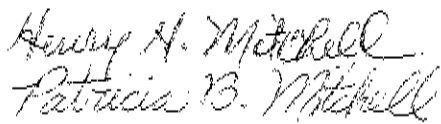

Our enclosed letter to Mr. Paylor is a detailed response.

We urge you to revisit the facts of the case, and your decision.

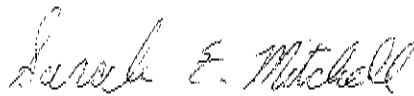

You may obtain further background from Mary Catherine Plaster, legislative assistant to Sen. Charles Hawkins. Thank you very much for your attention and assistance.

Yours truly,
