

## Senior Classes of S.G.H.S.

Much of the history of Spring Garden High School has been included in the preceding pages. We realize much was omitted, and perhaps some of the facts may not be exact. We gleaned information from various sources and verified as much as we could.

Following, are pictures of graduating classes of our

school. The classes which are not pictured have been named in the history.

The staff hopes that these pictures will bring back fond memories to you who claim SGHS as your Alma Mater.
