

Administration

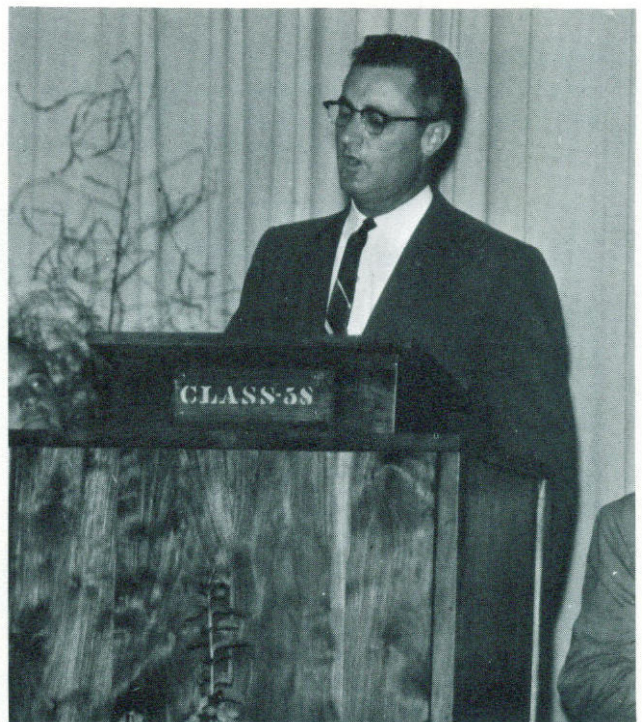

Mr. J. H. Combs, Pittsylvania County Superintendent, explains to the members of SGHS PTA how the new con-

solidated schools will look and how much more they will have to offer the students.

Mr. Charles Hagberg became assistant superintendent in 1954. His is a familiar face around the school board office.

Mr. Anthony Pollard was appointed to the school board in 1951 and became its chairman in 1955.

Administration

MR. D. FRANK INGRAM, JR., Principal

In a man's life time, he experiences many pleasant memories. This is one opportunity that will stand out in my collection of memories for many years to come.

It is with a sense of joy and sadness that I write this, my first and last message for THE MIRROR of Spring Garden High School. I can truly say that I am grateful that I have been a part of this school.

As we look with sadness upon the passing of our high school, our thoughts must turn to the future and upon bigger and brighter things to come.

To the high school students, may I say that it has been a pleasure to work with you as a teacher, coach, and this, our last year, as your principal.

To the faculty, go my best wishes and sincere appreciation for your splendid co-operation on a job well done.

To the senior class, may you serve as a living memorial to the memory of Spring Garden High School.

Sincerely,

D. Frank Ingram

Custodians

Mr. and Mrs. Claude Pillow have been the custodians of Spring Garden since 1944. Their tasks include cleaning the school after basketball games, dances, and other school activities, as well as the daily routine.

Bus Drivers

Mr. Garnett Yeatts, Jackie Farson, Tommy Ragsdale, Bob Carter, Mr. J. M. Anderson, and Bill Rogers are our bus drivers. They do a very faithful job of driving the students to and from school during the school year.
